

Product Bullet Points

Isotonix® Delivery System

- 1- Isotonic delivery is the most effective delivery system on the market today
- 2- Uses malic acid and citric acid as well as carbohydrates to facilitate diffusion of nutrients across the cell membrane.
- 3- Standard Tablets take up to 4 hours to break down into the body. Many may only deliver up to 30% of what it says on the label
- 4- Many tablets contain binders, fillers, artificial colors and hydrogenated oils –
- 5- Isotonix iso- means “same” and tonic means “pressure” The same pressure as body fluids
- 6- Isotonix supplements are Gluten Free and do not contain any binders, fillers, artificial colors or hydrogenated oils
- 7- A complete wellness protocol, including a Multi –Vitamin, activated B-Complex, Calcium and OPC (antioxidant) is the cost of a cup of coffee a day
- 8- Q and A One serving of Isotonix contains the amount of sugar in two grapes

Product Bullet Points

Isotonix® Multivitamin with / without Iron

- 1- Isotonix Multivitamin with Iron (also available without iron) is arguably the best multivitamin compared to the competition
- 2- Provides 100% or more of the daily recommended value of many vitamins and minerals by utilizes the Isotonix Delivery System, promoting rapid absorption of nutrients into the body.
- 3- Supplements help to support a healthy immune system, a healthy cardiovascular system, strong bones, and helps maintain normal metabolic functioning, among other functions.
- 4- Multivitamin with Iron or without depends on your unique needs. The benefits of iron are well documented; this essential mineral helps carry oxygen in muscle tissue and promotes the formation of red blood cells. Not everyone needs additional iron in their diet.

5- Listed Ingredients

- **Vitamin A (Beta-Carotene/Vitamin A pre-cursor) 10,000 IU**
- **Vitamin C (Ascorbic Acid) 150 mg Thiamin (Vitamin B1) 2.6 mg**
- **Pantothenic Acid (Vitamin B5) 20 mg**
- **Niacin (Vitamin B3) 40 mg**
- **Vitamin B12 (Cyanocobalamin) 75 mcg**
- **D-Calcium Pantothenate (Vitamin B5) (20 mg)**
- **Riboflavin 5-Phosphate (Vitamin B2) 3 mg**
- **Pyridoxine HCl (Vitamin B6) 4 mg**
- **Vitamin D3 (Cholecalciferol) 1,000 IU**
- **Vitamin E (d-alpha-Tocopherol Succinate) 66 IU**
- **Calcium (Lactate, Phosphate) 53.8 mg**

Product Bullet Points

Isotonix® Activated B-Complex

- 1- By delivering activated forms of B vitamins in an isotonic delivery system, Isotonix Activated B Complex provides benefits to the body quickly and effectively.
- 2- A mixture of the eight essential B-vitamins that are important in many bodily functions, this product also delivers metabolically active forms of several vitamins, therefore enhancing the effectiveness of the formulation.
- 3- In comparison, other B complex products contain traditional forms of vitamins B6, B12 and folic acid. In order to be used by the body these traditional forms must undergo chemical changes and as a result, these changes limit the efficiency of the product.
- 4- Isotonix Activated B Complex includes
 - B1 (Thiamin HCL)
 - B2
 - B3 (Niacinamide)
 - B5- Helps to relieve physical and emotional stress
 - B6 (Pyridoxal-5-Phosphate) - Assists in maintaining white blood Cells that are your body's defense team
 - B7- Also known as Biotin, may help strengthen hair and nails
 - B12 (Methylcobalamin and Folate [as (6S)-5-methyltetrahydrofolic acid, glucosamine salt, Quatrefolic®¹] – Methylcobalamin is more effective than non-active forms of vitamin B.
 - Vitamin B12 is important in homocysteine metabolism.
 - Homocysteine is an amino acid that is formed within the body

Isotonix® Calcium Complete

- 1- An essential mineral. Supports proper nerve conduction, , healthy blood sugar levels, healthy body weight, skeletal. Adequate calcium and vitamin D as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis later in life. Supports cardiovascular health, healthy teeth and gums. Helps maintain immune functions, cholesterol levels and hormone secretion
- 2- Contains Magnesium, 1000 IU of D3, Boron, Potassium, Manganese, Vitamin B2, Vitamin C
- 3- Recommended dose is 2 caps per day divided between AM and PM – Do not take 2 caps of calcium at one time because it cannot absorb properly in the body

¹ Quatrefolic is a registered trademark of Gnosis S.p.A.

Product Bullet Points

Isotonix OPC-3®

- 1- Antioxidant up to 20 times more powerful than Vitamin C and E combined in neutralizing free radicals
- 2- The combination of Grape Seed, Pine Bark (Pycnogenol®²), Bilberry, Red Wine and Citrus Extracts make it the one of the most powerful antioxidant on the market today
- 3- OPC-3 helps promotes cardiovascular. Also helps support vision, complexion, healthy blood glucose levels, immune health, healthy sperm quality and helps maintain joint flexibility

Isotonix® Vitamin C

- 1- Vitamin C is a super antioxidant well known for promoting a healthy immune system, providing cardiovascular support, provides antioxidant protection, and promotes cognitive health.
- 2- Vitamin C metabolism is crucial, as this nutrient is essential for human health and life.
- 3- We do not naturally produce vitamin C so it is essential to include vitamin C-rich foods on a regular basis. To complement the vitamin C in fruits and vegetables, you should look at using a quality vitamin C supplement, like Isotonix Vitamin C.
- 4- Isotonix Vitamin C contains over 500 percent of the Recommended Daily Value of vitamin C - an amount greater than many vitamin C supplements on the market today.
- 5- No other supplements for immune support on the market can boast the revolutionary Isotonix Delivery System.

Isotonix® Resveratrol®

- 1- Resveratrol is an ingredient with incredible clinical research revealing that it supports cardiovascular and helps maintain normal cell health
- 2- Helps to maintain cell health, promote normal cell cycle activity and apoptosis (programmed cell death) in unhealthy cells,
- 3- Promotes normal activity of the SIRT-1 gene (involved in calorie restriction, fat mobilization, mitochondrial function)
- 4- Promotes normal nuclear factor kappa B (NF-Kappa B - protein) and cyclooxygenase-2 (COX-2 - enzyme) activity

² Pycnogenol is a registered trademark of Horphag Research Limited

10/19/18 *These statements have not been evaluated by the Food and Drug Administration. This product(s) is not intended to diagnose, treat, cure or prevent any disease.

Product Bullet Points

Isotonix® Vitamin D with K2

- 1- First supplement of its kind to combine K2 with an isotonic form of Vitamin D
- 2- Helps maintain cardiovascular health
- 3- Very unique combination that works synergistically to outperform most D supplements on the market

Prime™ Joint Support Formula by Isotonix®

- 1- What sets Prime Joint Support Formula by Isotonix apart is the combination of glucosamine with the powerful antioxidant Pycnogenol® and hyaluronic acid - the only product among joint health supplements to deliver all three in isotonic form.
- 2- Winning combination of ingredients promotes optimal joint health by helping to maintain your joints optimal fluidity and flexibility
 - **Glucosamine** - Supports normal, healthy cartilage cell production to help maintain joint health.
 - **Pycnogenol®** - Inhibits the body's overactive inflammatory processes **Hyaluronic Acid** - Helps maintain strong, healthy cartilage and promotes normal healing
- 3- Keep your joints young and maintains joint comfort
- 4- Supports normal, healthy levels of COX-2 and 5-LOX and does not contain chondroitin (very poor absorption due to its high molecular weight)

Product Bullet Points

Isotonix® Bromelain Plus

- 1- Isotonix Bromelain Plus works synergistically with the body's own repair system, which may help promote the body's normal healing process.
- 2- May help support normal blood viscosity and blood platelet aggregation
- 3- Promotes optimal cell health and blood circulation
- 4- Supports the body's normal inflammatory response
- 5- Supports the body's normal tissue and recovery repair process
- 6- Supports a healthy immune system and Joint function

7- Ingredients:

- **Bromelain 544 mg**

Bromelain is a mixture of enzymes found in the stems of pineapples

- **White Willow Bark 100 mg**

White willow bark is the bark of the Salix tree, which is native to Europe and Asia.

- **Protease 70 mg**

Proteases are proteolytic enzymes that work to break specific peptide bonds or break down a complete peptide to amino acids.

Isotonix® Magnesium

- 1- Most adults do not typically get enough of this important nutrient **which can lead to magnesium deficiency**
- 2- Helps maintain normal blood pressure, supports bone health and sleep quality, while promoting head comfort and optimal muscle health.
- 3- Isotonix Magnesium provides 100% of the recommended daily value of magnesium, an amount most other products can't match. Combines a formula blending two different types of magnesium.

Product Bullet Points

Isotonix® Immune (Adult)

- 1- Boosts the body's natural immune response
- 2- Clinical trials have shown that Wellmune® promotes a healthy immune system
- 3- Promotes beneficial activity of macrophages, T cells and natural killer cells, which engulf and destroy pathogens and foreign matter

4- Ingredients:

- **Wellmune WGP³ (250 mg)** Wellmune is a natural yeast beta glucan derived from a proprietary strain of yeast, Wellmune works to support immune cells, which are part of the body's natural defenses.
- **Vitamin C (60 mg)**
- **Zinc (7.5 mg)**

Isotonix® CoQ10 Cardiovascular & Immune Support or (Heart Health CoQ10 softgel)

- 1- CoQ10 is essential for the production of energy (ATP) in every cell of the human body
- 2- CoQ10 is a antioxidant that is known to scavenge oxygen radicals in the mitochondria
- 3- "
- 4- Enhances traditional support of cardiovascular health
- 5- Helps maintain healthy blood sugar levels, heart muscle strength, normal blood pressure
- 6- Promotes gum health
- 7- Best taken with a meal that contains some fat or oil

³ Wellmune WGP is a registered trademark of Biothera Inc.

10/19/18 *These statements have not been evaluated by the Food and Drug Administration. This product(s) is not intended to diagnose, treat, cure or prevent any disease.

Product Bullet Points

Omega III Fish Oil - PROTECT YOUR HEART with the world's most COMPLETE & doctor-recommended Omega III fish oil supplement

- 1- Promotes overall cardiovascular health
- 2- Contains 3000mg of fish oil -- nearly 3x more fish oil than most other fish oil products & meets the 3g recommendation of the American Heart Association as the most effective amount to promote overall cardiovascular health
- 3- Contains only small fish (sardines and anchovies) from the cleanest waters to provide a safe product rich in Eicosapentaenoic acid (EPA) and Docosahexaenoic acid (DHA) and low in accumulated toxins
- 4- Priced competitively-You would need 4-6 capsules of other brands to equal the amount of EPA and DHA in the nM brand
- 5- We use Vitamin E to keep our fish oils from going rancid. Other brands, including prescription Fish Oils use hydrogenated oils.
- 6- Helps maintain normal triglyceride levels in the blood, healthy Blood Pressure and healthy levels of C-reactive protein
- 7- In a well-designed study, no difference was shown between bioavailability of Omega-3's in Fish Oil versus Krill Oil
- 8- Omega 3's also promotes a healthy complexion
- 9- DHA may also enhance mood
- 10- Tested twice, once from the manufacturer and then by an independent testing company for mercury, lead, PCB and other heavy metals to confirm free of heavy metals.

Isotonix® Vision Formula with Lutein

- 1- There are many vision supplements on the market, only Isotonix Vision Formula with Lutein promotes healthy eyes and vision by providing a powerful package of ingredients using the Isotonix Delivery System.
- 2- Isotonix has created an eye health vision formula using zeaxanthin and lutein for antioxidant protection, quercetin to help maintain lens transparency, and bilberry to support night vision.
- 3- Helps support healthy eye tissue and circulation. Promotes healthy macular density and may help maintain eye health as you age.

Product Bullet Points

Prime™ Vision Eye Health Formula

- 1- Formulation based on the highly recognized and respected AREDS2 study, a multi-year research project identifying the top eye health nutrition nutrients to maintain healthy eyes in aging adults. Prime Vision contains the same ingredients in identical amounts as those used in the AREDS2 study.
- 2- Key ingredient in Prime Vision is FloraGLO®⁴ lutein - the first choice for retaining and maintaining eye health.
- 3- Additional nutrients - include zeaxanthin, vitamins and bilberry - Other eye health supplements may include these ingredients, but not in the amounts clinically studied and proven effective by AREDS2 researchers.
- 4- Promotes healthy vision by helping maintain lens transparency and the structural integrity of cone cells within the eyes.
- 5- Supports the health of the cells of the retina and blood vessels while promoting healthy oxygen and nutrient flow to the eyes, while helping to protect them from oxidative stress.

Prime™ Astaxanthin Cardio and Visual Vitality Formula

- 1- One of the PUREST and MOST POWERFUL ANTIOXIDANTS Available!
- 2- Astaxanthin's unique structure includes long chains which allow it to cover the cell membrane and provide antioxidant protection in all layers, whereas other antioxidants are more limited.
- 3- Formulated with 6mg of the patented high-grade ingredient AstaREAL®⁵
- 4- Effectively provides antioxidant defense
- 5- Supports healthy blood flow in the eye, promoting nourishment for the eye & helping to maintain proper eye function

Isotonix® Isochrome™

- 1- Isotonix Isochrome helps maintain healthy blood sugar levels.
- 2- Provides two unique forms of chromium in our formula - includes chromium picolinate - enables Isotonix Isochrome to help provide healthy blood sugar support and help maintain healthy levels of blood sugars and support insulin activity
- 3- Also includes B vitamins, coenzyme Q10 and L-Carnitine, each of which work to support our unique benefits for energy and Weight Management.

⁴ FloraGLO is a registered trademark of Kemin Industries Inc.

⁵ AstaREAL is a registered trademark of Fuji Chemical Industry Co. Ltd.

10/19/18 *These statements have not been evaluated by the Food and Drug Administration. This product(s) is not intended to diagnose, treat, cure or prevent any disease.

Product Bullet Points

Ultimate Aloe™

- 1-Ultimate Aloe has the IASC (International Aloe Science Council) seal that certifies the aloe content and purity. **Our formula uses only the purest ingredients – real aloe vera juice & pulp harvested straight from the leaf**
- 2- Contains over 200 nutrients including vitamins, minerals, triglycerides, amino acids and enzymes. Vitamins include B1, B2, B3 and B12, choline, folic acid, vitamin C and beta-carotene (a precursor to Vitamin A)
- 3- Minerals found in aloe include calcium, magnesium, potassium, chloride, iron, zinc, manganese, copper, chromium, sulfur, boron, silicon, phosphorus and sodium.
- 4- Virtually free of undesirable components such as aloin and other anthraquinones
 - **Why is the aloin removed from the aloe?**
Fresh whole leaf aloe vera juice contains aloin, a very powerful laxative, which must be eliminated from the juice if it is to be used safely as an ingredient in topical products or as a health drink. Aloin is a compound, which is produced from modin and glucose. When whole leaf aloe is pasteurized and the aloin is eliminated, the juice is safe for both topical and internal use
- 5- Available in flavors including Natural, Strawberry Kiwi, Cranberry Apple and Pomegranate

Product Bullet Points

NutriClean® 7-Day Cleansing System with Stevia

- 1- The NutriClean 7-Day System provides innovative, cutting-edge products containing a colon and liver cleansing system —
- 2- Provides exceptional herbs and botanicals to detoxify, cleanse, and purify the digestive tract and liver.
- 3- These powerhouse of herbs, fibers, and extracts that offers unparalleled digestive and liver support that can be customized by individual users
- 4- Mildly purges the body of potential or accumulated toxins. This innovative three-step process only requires a week to cleanse your digestive system.
- 5- Excellent cleansing tool that should at least twice a year for optimal digestive, liver and colon health
- 6- A Three-pronged approach that works diligently to cleanse the digestive system as it flushes out the colon, and supports the body's natural processes of restoration and cleansing
- 7- This 7-Day system contains three components:
 - **HepatoCleanse** — capsules cleanse the liver
 - **Release tablets** — cleanse the gastrointestinal tract and enhance peristalsis
 - **Fiber Powder** — provides much needed fiber and beneficial bacteria to the colon

NutriClean® Advanced Fiber Powder with Stevia

- 1- Delivers Top Quality soluble fiber with beneficial probiotics, which promotes the growth of good bacteria in the colon.
- 2- Contains one of the most advantageous mixtures of L-glutamine, insulin, Fibersol-2 and probiotics.
- 3- Supplies 1.5 billion healthful microorganisms.
- 4- Relieves occasional constipation, thereby balancing the activity of the bowel.
- 5- This blend of fibers and probiotics team up to deliver optimum cleansing by purifying the colon as it helps maintain balanced bowel, and promotes a healthy immune system.
- 6- Helps to maintain normal cholesterol levels and blood glucose levels

Product Bullet Points

Isotonix® Digestive Enzymes with Probiotics

- 1- Enzymes are important for the body's proper absorption and utilization of food. The body's ability to make certain enzymes declines as part of the natural aging process.
- 2- Poor eating habits, and other factors may deplete the body's probiotics, which are necessary for maintaining a healthy digestive tract and promoting a healthy immune system.
- 3- The best performing digestive enzyme supplement on the market today!** Contains the patented ingredient Digezyme®⁶ which: Supports a Healthy Digestive Tract and Immune system
- 4- Offers unique blend of digestive enzymes & probiotics which supply good bacteria that promotes the absorption of nutrients. Comes also in individual packets for convenience (20 per packet -2 servings each) Top 20 favorite!
- 5- Isotonix Digestive Enzyme Formula with Probiotics is an isotonic-capable food supplement that is made from a combination of DigeZyme®, a blend of amylase, protease, cellulase, lactase, and lipase, and Lactospore®, the probiotic Lactobacillus sporogenes, and potassium, magnesium, maltase and sucrase,
- 6- Helps maintain healthy cholesterol levels and may help ease stomach upset

NutriClean® Probiotics – Adult

- 1- Probiotics support a Strong Immune System, Bowel regularity, healthy upper digestive tract, teeth, urinary track, vaginal flora (resistance to yeast), stomach comfort and digestion
- 2- nM Probiotics have 10 strains with 10 Billion active Colony Forming Units (CFUs). The diversity of strains along with the total bacteria count is very important
- 3- nM uses patented technologies called LiveBac®⁷ which keep probiotics alive during the manufacturing and distribution cycle (increased shelf life) and BIO-tract®⁸ which protects the microorganisms from stomach acid on the way to the intestinal tract
- 4- This ensures a significantly higher percentage of microorganisms will reach the Small Intestines alive.
- 5- One of the Best on the market today and does not need refrigeration

DNA Miracles® Chewable Probiotics (Children and Adults)

- 1- Supports a healthy gastrointestinal tract, healthy teeth and gums, and healthy immune and digestive systems

⁶ Digezyme is a registered trademark of Sabinsa Corporation.

⁷ LiveBac is a registered trademark of Nutraceutix, Inc.

⁸ BIO-tract is a registered trademark of Nutraceutix, Inc.

10/19/18 *These statements have not been evaluated by the Food and Drug Administration. This product(s) is not intended to diagnose, treat, cure or prevent any disease.

Product Bullet Points

- 2- Also supports Stomach comfort and Bowel regularity
- 3- Pleasant tasting Strawberry /Vanilla Chewables
- 4- Delivers 5 strains with 5 billion beneficial Bacteria in each chewable tablet
- 5- Uses LiveBac® Technology (see above)

Complete Greens®

- 1- Unique blend of over 50 natural ingredients (comes in Tablet and Powder form)
 - 2- Good source of fiber and helps maintain a healthy digestive tract. Aids in providing the body with nutrients, and phytonutrients
- 3- Key Ingredients:**
- Apple Fiber: 353 mg
 - Soy Lecithin: 549 mg
 - Barley Grass: 98 mg
 - Barley Malt: 78 mg
 - Hawaiian Spirulina Pacifica (HSP): 314 mg
 - Wheat Grass: 110 mg
 - Brown Rice Bran: 78 mg
 - Bee Pollen: 39 mg
 - Acerola Berry Juice: 24 mg

Timeless Prescription® Oxygen Extreme™

- 1- A combination of vitamins, minerals and special herbs in capsule form that helps protect our body from the negative effects of free radicals
- 2- Timeless Prescription Oxygen Extreme counteracts seven known species of free radicals.
- 3- Helps maintain cardiovascular health and healthy cholesterol levels.
- 4- Promotes a healthy digestive tract, skin health, vision and cognitive health and may help support a healthy liver.

5- Key Ingredients:

- **Vitamin A (Beta-Carotene): 5000 IU**
- **Vitamin C: 200 mg**
- **Vitamin E: 30 IU**
- **Selenium: 200 mcg .**
- **Bilberry: 25 mg**
- **Green Tea Extract: 300 mg**
- **Ginkgo Biloba: 50 mg**
- **Milk Thistle: 50 mg**

Product Bullet Points

TLS Trim Tea

- 1- Gluten free with key ingredient WellTrim® iG (IGOB131) Patented/African Mango (*Irvingia gabonensis*) Seed Extract (300 mg) clinically tested for weight loss & metabolic wellness
- 2- Black Tea Extract (700 mg *Camellia sinensis*) contains antioxidants to provide Cardiovascular health support
- 3- Supports leptin sensitivity to help manage hunger and curb appetite
- 4- Supports levels of adiponectin to help maintain insulin sensitivity
- 5- Helps maintain normal blood sugar levels, insulin and cholesterol levels
- 6- Recommended once daily hot or cold & contains 21 mg of caffeine

TLS Trim Café

- 1- Gluten free with key ingredient WellTrim® iG (IGOB131) Patented/African Mango (*Irvingia gabonensis*) Seed Extract (300 mg) clinically tested for weight loss & metabolic wellness
- 2- Plus Columbian Arabica Coffee Powder (caffeine content is equivalent to one cup of brewed coffee)
- 3- Supports leptin sensitivity to help manage hunger and curb appetite
- 4- Supports levels of adiponectin to help maintain insulin sensitivity
- 5- Helps maintain normal blood sugar levels, insulin and cholesterol levels
- 6- Recommended once daily hot or cold

Product Bullet Points

TLS® ACTS Adrenal, Cortisol, Thyroid & Stress Support Formula

- 1- TLS ACTS Adrenal, Cortisol, Thyroid & Stress Support Formula works specifically to promote healthy adrenal gland function, cortisol levels and thyroid function to help control stress levels and minimize stress related weight gain
- 2- Most products on the market either focus on weight loss or stress. TLS ACTS addresses both, helping your body adapt to stress and helping you reach your weight loss goals.
- 3- May help minimize certain stress related issues
- 4- Helps to reduce stress placed on the adrenals to perform and helps promote healthy levels of cortisol
- 5- Helps maintain healthy levels of both serotonin and dopamine & maintain normal thyroid function
- 6- Promotes relaxation without drowsiness

TLS® Tonalin® CLA (Conjugated Linoleic Acid)

- 1- Conjugated Linoleic Acid, or CLA, has been shown in studies to help reduce body fat and maintain lean muscle tissue.
- 2- Targets stubborn belly fat and preserve lean muscle.
- 3- TLS Tonalin CLA is ideal for those who have lost weight, or are losing weight, and want the extra support to keep it off. Effects are enhanced with exercise
- 4- Helps to redistribute fat to fat-burning muscle tissue to assist in promoting lean muscle mass and decreasing the amount of fat stored in your body.
- 5- CLA has also been shown to enhance fat breakdown - or lipolysis - within the muscle tissue and help preserve lean muscle.

Product Bullet Points

TLS® CORE

- 1- TLS CORE is one of the only products on the market that (1) may help with appetite suppression, (2) inhibits amount of carbs being absorbed, and (3) helps stop body from converting excess carbs to fat.
- 2- May help promote weight loss, inhibit carbohydrate & fat absorption in the body & help with appetite suppression
- 3- Supports leptin sensitivity, which may help to manage hunger and stimulate lipolysis. Dealing with leptin sensitivity can be an important step for people continually losing and gaining weight and may help to reduce fat stored in the body. When these people lose fat through diet and exercise, the brain thinks it is starving and tells the body - through the hormone leptin
- 4- Inhibits the amylase enzyme and slows the absorption of carbohydrates into the bloodstream
- 5- Helps maintain normal blood sugar levels and supports normal insulin activity
- 6- **Ingredients- Pharsalus Vulgarism (White Kidney Bean Extract), LeptiCore®⁹, GreenSelect® Phytosome®¹⁰, Green Tea Decaffeinated Extract, Chromium**

TLS® Green Coffee Plus Garcinia Cambogia (Decaffeinated)

- 1- One of the best ways to burn fat and promote healthy weight loss is to maintain healthy blood sugar levels, and studies have shown that green coffee bean extract can not only help burn fat, but inhibits the conversion of excess sugars into fat in your body.
- 2- Promotes weight loss, promotes body fat loss while preserving healthy, lean muscle mass. Inhibits the conversion of sugar into fat. Promotes reduction in BMI
- 3- There are many weight loss products on the market touting green coffee for weight loss, but TLS has an advantage over many: the inclusion of Svetol®¹¹ Green Coffee Extract, the most clinically-researched brand of green coffee bean extract, which has been shown superior to its competitors .
- 4- May help suppress appetite and promote a feeling of fullness.
- 5- Helps maintain normal blood pressure and healthy serotonin levels

⁹ LeptiCore is a registered trademark of Gateway Health Alliance, Inc.

¹⁰ Greenselect Phytosome is a registered trademark of Indena S.p.A,

¹¹ Svetol is a registered trademark of Naturex, Inc.

Product Bullet Points

TLS® On the Go Nutrition Shakes

- 1- Available in Chocolate and Vanilla.... each serving of these TLS shakes delivers an optimal balance of carbohydrates, fats and protein.
- 2- 18 grams of protein, 10 grams of fiber and only six grams of fat per serving, plus are high in calcium
- 3- These shakes are nutritious and delicious and provide over one-third the recommended daily allowance of 22 vitamins and minerals and no added sugar
- 4- Can be used as meal replacement in conjunction with your TLS Weight Loss Solution program or to build lean muscle
- 5- 5-No trans fats *Gluten Free - No Detectable GMO*

TLS® Whey Protein Shakes

- 1- Protein is a necessary nutrient for health, fitness and weight management. Our shakes deliver 21 grams of protein per serving
- 2- When it comes to weight loss, TLS Whey Protein may help you to retain muscle.
- 3- When used before or after a workout, TLS Whey Protein Shakes supply the key nutrient that primes muscles for maximum recovery and results in convenient, single-serving packets.
- 4- Made with Stevia Free of artificial sweeteners and colors, and are sourced from milk produced by rBGH-free cattle, providing one of the best whey protein formulas in Chocolate and Vanilla Flavors

Product Bullet Points

Curcumin Extreme™

- 1- There are many curcumin products on the market, but Curcumin Extreme with **BCM-95[®]¹²** has superior bioavailability and absorption
- 2- Curcumin supports liver detoxification activity, promotes normal cellular regeneration and helps maintain healthy glutathione levels. It also supports the body's natural ability to produce detoxification enzymes and has been shown to be a powerful antioxidant
- 3- It promotes neurological health and helps to maintain neurological health as we age. It can also promote free radical protection and a strong immune system. Can be taken with Cognition to support neurological health
- 4- Promotes normal cell cycle activity and apoptosis in unhealthy cells
- 5- Can be taken with Glucosatrin to promote joint comfort
- 6- Selenium is a required cofactor for selenoproteins such as glutathione peroxidase. Selenium accumulates in the prostate, promoting the health of the prostate. Selenium supports immune function by promoting normal growth and development of T helper cells

NOTE: If you are currently taking warfarin (Coumadin) or other anti-platelet/anti-coagulate, you should not take this product. If you are taking any other prescription drugs or have an ongoing medical condition, you should consult your physician before using this product. Women who are pregnant or nursing should not take this product.

Product Bullet Points

Ultra Prime™ Secretagogue HGH Enhancer

- 1- Human growth hormone, or HGH, is the master hormone that drives the growth and development of the body, contributing to the maintenance of lean body mass and the health of the body's vital organs.
- 2- Represents the next generation of HGH supplements that is far more advanced, concentrated and cost-effective than previous formulations.
- 3- Gently stimulates the endocrine system to produce and release its' own HGH naturally that ordinarily diminishes during the aging process.
- 4- Acts as a safe, natural and effective secretagogue "trigger" to wake up the pituitary gland
- 5- Increases the production and secretion of your body's own natural HGH
- 6- Enhances the production of selected hormones that ordinarily diminish during the aging process
- 7- Builds protein and reshapes your body by building lean body mass and facilitating the breakdown of fat and burning calories
- 8- Assists in improving sexual vitality
- 9- Influences the growth of cells that comprise bones, muscles and other organs throughout the body
- 10- Maintains joint health

Prime™ Time Female Libido Formula

- 1- As many as 45 million women in the United States experience reduced sexual desire. This becomes a more prevalent issue as women age, as natural hormone production declines with age.
- 2- Prime Time Libido Formula supports healthy female libido (sexual interest and desire)
- 3- Promotes normal sexual arousal and intensity
- 4- Supports normal sexual climax and may help manage the effects of stress that reduce sexual drive
- 5- Supports normal blood flow to genital organs and tissues and may help stabilize mood
- 6- May help promote normal vaginal secretions and help maintain vaginal health
