Some key things to remember as you embark on the road to wellness:

- ★ Drink LOTS of purified water!
- ★ As the body gets healthy you may notice a slight headache, upset stomach, rash, dizziness, or general fatigue. These detoxification signals indicate that you are getting healthier!
- ★ With certain supplements, dosing and consistency of use are key to getting maximum health benefits. The person who invited you will follow up to ensure that you see the best possible results with your new products.
